Benefiting Partner Organization Guidelines

Typically, we partner with 501(c)3 tax-exempt Voluntary sector or Public sector organizations. Partner organizations should:

- work with children (ages 2-18)
- be primarily focused on charity work within WV

Our most common partners are:

- Schools, community ed programs, parks & rec
- Public health, clinical/therapeutic medicine, hospitals
- Social services, food pantries
- Housing services, public/co-op housing
- Neighborhood associations
- Established churches, religious institutions
- After-school programs, youth camps, sports teams
- Other charities or non-profit organization (case by case basis)

Partner organization agrees:

- To communicate to bike recipients that bikes are to be used primarily by children or for adults commuting to work.
- To leave in place the FB4K sticker/tag and number identifying each bike.
- To report monthly the number of bikes given away and received.
- To maintain (internal) records of who receives free bikes to make sure FB4K is benefiting as many families as possible.
- To maintain records (shared with FB4K) of monetary donations received on behalf of FB4K, and to mail copies of tax receipts (PDF provided) and funds to FB4K monthly to address above.
